Re: New Import List Price; Fittings, Restraints, Accessories

Dear Valued Customer,

Tyler Union is announcing a change in list price for import restraints effective January 1, 2018.

In addition, we will be changing the list price for import fittings and accessories - including P401 and zinc - to be effective January 8th, 2018.

The new list price sheets will be available on our website @ www.tylerunion.com in the near future.

All annual municipal bid contracts will be honored per the terms of the contract.

If you have any questions regarding this announcement please contact your local Tyler Union territory manager.

We look forward to providing the waterworks industry with the quality products and the service you expect and deserve, as we have for nearly 100 years. We thank you for your business and support.

Sincerely,

Jerry Jansen
